

CSPT Travel Awards Application Instructions: 2020

The CSPT will be offering two categories of competitive travel awards in 2020.

1) The CSPT Conference Travel Award

- **Purpose** - To provide financial support for costs associated with attending CSPT 2020 in Ottawa for trainees who will be delivering a poster or oral presentation at the conference.
- **Amount** - A maximum of \$500 dollars will be awarded per travel award.
- **Number of awards** - Approximately 10 awards will be available.
- **Eligibility Requirements**
 - Submission of a 1st author abstract for CSPT Ottawa 2020 by the abstract deadline, Mar 14th, 2020.
 - Must be a CSPT trainee member in good standing at the time of application.
 - Trainees¹ that apply for CSPT membership at the time of their abstract submission are eligible.
 - Trainees residing in the Conference host city Ottawa or immediate vicinity are **NOT** eligible.
- **Adjudication**
 - Awards will be based on the peer-review and ranking of submitted abstracts.
- **Award Notification and Disbursement**
 - Successful Applicants will be notified in early April.
 - Funds will be disbursed after the completion of the CSPT 2020 meeting upon receipt of a completed travel claim form. Please refer to the CSPT Travel Claim Policy for a description of allowable expenses.

¹Eligible Trainee Members include undergraduate members, graduate student members and postdoctoral fellows (within 5 years of PHD completion) and medical residents or clinical fellows that hold a CSPT Associate Membership

2) The CSPT-ASPET (American Society of Pharmacology and Therapeutic) Conference Travel Award.

- **Background** - In 2018 the CSPT became an official ASPET chapter. To build and sustain this relationship, the CSPT has established a new trainee award, which was made possible through a generous member donation.
- **Purpose** - To provide financial support for costs associated with attending ASPET's 2021 annual meeting (Experimental Biology) in Indianapolis for trainees who will be delivering a poster or oral presentation at the conference.
- **Amount** - A maximum of \$600 Canadian dollars will be awarded per travel award.
- **Number of awards** - A maximum of 2 awards will be available.
 - One in the poster category
 - One in the oral presentation category
- **Eligibility Requirements**
 - Submission of a 1st author abstract for CSPT Ottawa 2020 by the abstract deadline, Mar 14th, 2020.
 - Must be a CSPT trainee member¹ in good standing for a minimum of 12 months at the time of application.
 - Trainees wishing to be considered for this award must undertake to attend the next ASPET annual meeting (Experimental Biology, May 1st-4th, 2021 Indianapolis, IN).
 - Trainees are not eligible to hold the poster or oral presentation award in consecutive years.
- **Adjudication**
 - Awards will be based judging and ranking of oral and poster presentations at CSPT 2020 in Ottawa.
 - There will be one award for an eligible trainee with the top ranked poster presentation.
 - There will be one award for an eligible trainee with the top ranked oral presentation.
- **Award Notification and Disbursement.**
 - The awards will be presented during the Awards Ceremony at the CSPT Annual General Meeting on Friday, June 12th, 2020.
 - Funds will be disbursed after the trainee provides proof of abstract acceptance and registration for EB2021 and receipt of a completed travel claim form. Please refer to the CSPT Travel Claim Policy for a description of allowable expenses.

¹Eligible Trainee Members include undergraduate members, graduate student members and postdoctoral fellows within 5 years of PHD completion) and medical residents or clinical fellows that hold a CSPT Associate Membership
